

We are looking for our next EXECUTIVE DIRECTOR

MPact was founded in 2006 by a group of activists concerned about HIV-related disparities, criminalization, discrimination, and violence experienced by gay men and bisexual men everywhere. We are a respected gay-led global advocacy network dedicated to ensuring equitable access to HIV services to all gay and bisexual men, while promoting health and human rights worldwide. MPact collaborates with activists and allies to influence policy, build community, and facilitate inter-regional information exchange. Our work is evidence-informed and rights-based.

The next ED will:

- Lead organizational growth
- Raise funds
- Oversee the agency's budget
- Supervise senior staff and consultants
- Sustain collaborative partnerships
- Represent the agency externally
- Be a movement standard-bearer
- Amplify MPact's advocacy

We seek candidates with 10+ years of experience in:

- International HIV, health, human rights, LGBTI rights
- Senior-level non-profit management
- Strategic planning
- High-level policy analysis
- Translating evidence into action
- Fundraising, staff supervision, budgeting

Candidates must have deep knowledge of:

- Issues affecting gay and bisexual men living in low/middle income countries and in the global south
- Global policy institutions like the Global Fund, U.S. PEPFAR, and UNAIDS
- Ways to generate or use evidence to inform programs and policy

If you are an effective manager and fundraiser, fearless advocate, respected community leader, exceptional communicator and writer, and visionary, this is the perfect job for you!

All applications must include:

- ✓ A cover letter;
- ✓ Resume or CV;
- ✓ The names and email addresses of three references;
- ✓ One first-authored writing sample (i.e., published article, grant proposal, etc.).
